

Weasenham CofE Primary Academy

Newsletter

Wow! We cannot believe that we have finished a half term of home learning. You are all doing amazingly! We have really enjoyed seeing all your adventures, so this newsletter is dedicated to you for all your hard work and brilliance. You have been so busy and there were so many photos to choose from, it was a hard decision!

*Enabling Children to
Flourish through the
Field of Life.*

*If you haven't seen
our Celebration
Assembly with a
Difference, please
check it out on
Facebook, Purple
Mash and/or Tapestry.*

The Children's Lockdown Adventures!

Banjo's science experiment with Skittles.

Charlie has been making many different creations with Lego!

Frank and Oscar have been busy using sweet wrappers to make rainbows.

Amelia has been enjoying taking her dog, Blue for lots of walks and enjoying the lovely weather.

Ronny has been relaxing on 'holiday' in his garden. His mum has been supplying drinks to sip on the sun loungers!

Frank and his dog, Bozo have been listening to Mrs Felton reading stories. Bozo liked the Kipper story the best.

Tayla and her little brother have been watching caterpillars grow and metamorphosed into butterflies. Look at the butterfly that landed on her cheek!

Daylin has been busy making a model elephant. He used tools to help him.

William has been learning about the Ancient Egyptians. He has made a sarcophagus.

Thank you to all the parents, you are all doing a great job entertaining and 'teaching' your children.

We know some of you will be returning to school shortly and some of you will remain at home for a little longer but we would still love to see what you are doing, so keep posting on Facebook, Purple Mash or Tapestry.

If you need any support, we are here to help, please contact the school office on: office@weasenhamschool.co.uk.

As always, please stay safe and well.
