1<sup>st</sup> June 2020

Dear Parents/Carers,

I hope that you have all had a good half term and been able to enjoy the beautiful weather. We are now back to school and staff are busy planning the layouts of the classrooms etc.

If your child is in one of the groups set to return, you will be notified of the staggered drop off and pick up times for your child/ren. I appreciate that you may need to wait 15 minutes between times for your children, however this is for the safety of all concerned and following guidance from the Government, ensuring that we have limited numbers of parents at the school gate etc.

If your child is in a group returning to school; they will need a snack and water bottle; they will also need a packed lunch unless they are entitled to FSM or are in Year R or Year 1. Please contact the school office if you do require a school packed lunch by WEDNESDAY 3<sup>rd</sup> JUNE at 10am, to enable us to order these. The choice will be ham, cheese or plain butter.

As I have stated in a previous letter, I am very sorry that we are unable to accommodate the Year 6 pupils at the moment, however we will review this once the Bubbles have returned and we have got into a routine, I will keep you posted on this matter. If we can enable the children in Year 6 to come back; we will.

Children coming back, do not need to come back in uniform, as long as they are wearing suitable clothing for school and preferably trainers.

### Home Learning

As staff are working back in school with children, they will not always be able to respond to home learning that is uploaded onto the different learning platforms as they have previously been doing. Staff will respond to one or two pieces of work a day. Please however keep uploading your work as this enables us to see what your child has been up to.

Yours Sincerely,

*B Allen*
