

*Enabling Children to
Flourish through the
Field of Life.*

What a strange end to a very unusual year! We haven't been able to do our usual transition and good byes. But we would like to thank all our children and their families for all their support and hard work they have been doing since lockdown began. It has been amazing to see all the wonderful things you have been doing and the resilience you have shown. We are looking forward to some different ways of teaching and learning in September and are excited to be able to finally see you all again.

Year 6 Leavers

We would like to take this opportunity to say goodbye to our year 6s and wish them all the best as they go forth to high school and start their next chapter of their education. We also say goodbye to Murfee as he starts in his amazing new school in September. It has been a pleasure to have you all part of our school community and we will miss you. Good Luck!

Family Learning

Please see below information we have received from Family Learning at Norfolk County Council:

We have created an online package of courses that will provide ideas and support for parents to entertain and educate their children through the holidays, help children prepare to start or return to school and continue to work with families once children have returned to school. All of these courses are free for parents to access and will be delivered online by one of our Adult Learning tutors. They can be booked online via our website here <https://www.norfolk.gov.uk/education-and->

[learning/adult-learning/courses/family-learning-courses](#)

- Summer holiday activities; one-off sessions, one of each per week over Summer holidays;
- Back to School Online – for families with children returning to primary school in September 2020.
- Ready for School Online – for families with children starting school in September 2020.
- Family Fun in the Sun – a one off session with fun activities for families (with children under 12 years).
- Family Learning Cafés - an opportunity to meet other families in a safe online environment (with children under 12), take part in a hands-on activity and to discover more about the rest of our programme. Details will be displayed on our Facebook page: <https://www.facebook.com/Norfolkadultlearning/>

DATES FOR THE DIARY

7th September- School

Emails/Useful Numbers

Please do keep checking your emails over the summer as we will be sending you information as and when we have updates from the government.

If you need any support, we are here to help, please contact the school office on: office@weasenham.norfolk.sch.uk. Please note this email will be checked at regular intervals during the holidays.

Please see the attached for a list of useful numbers for over the summer.

Also attached is the knowledge organiser for next term.

As always, please stay safe and well. Enjoy the Summer Holidays and we will see all your lovely smiley faces on the 7th September 2020.
