

*Enabling Children to
Flourish through the
Field of Life.*

We have had a wonderful start to the new school year. The children have adapted well to the new changes and routines and are being 'pros' at handwashing! We have been taking advantage of the good weather with lots of learning outside and enjoyed Forest Schools on Tuesday- making houses for fairies and acorn people. Who would have known we had such magical creatures in our school grounds!

Water Bottles

It is really important for children to bring a water bottle (containing only water) into school everyday as this will aid concentration and keep children hydrated. To limit the transmission of germs and viruses as well as COVID-19, we are unable to supply 'spare' water bottles.

Clothing

Please remember to send your child in with a coat every day. We will be outside and with the ever-changing weather we need to ensure the children are appropriately dressed.

DATES FOR THE DIARY

9th October- Virtual Harvest Festival (more details to follow)

12th October- School Photographs

Also as the temperature begins to drop over the coming weeks, it would be advisable for children to make sure they have layers of clothing as we need to keep the school building well ventilated so this does mean it will get a little nippy!

Library and Reading books

Thank you to all our families who have returned their child(ren)'s reading and library books. However, there are still a few outstanding reading and library books that have not been returned yet. Please have another good look at home for these. They will have the Weasenham stamp on the inside cover. If you are unsure whether you have any

remaining books, please contact the school office.

Having spent thousands of pounds on new reading and library books over the past two year we will unfortunately have to charge parents for the non-return of outstanding books. We will send out letters at the end of next week to those who have still not returned with a price to pay to allow us to replace the missing books.

Harvest Festival

We are pleased to announce there will be a Harvest Festival with a difference this year... it will be virtual!

Staff are busy organising the event and we will send out further information about how you can join us in the celebration of thanks nearer the time.

If you need any questions or concerns, please contact the school office on: office@weasenham.norfolk.sch.uk.
