Intent:

Children will be able to write fluently, with a good understanding of grammar, writing in a range of contexts and for real purposes.

Children will read widely with good understanding and develop a love of reading and books.

Children will acquire a wide vocabulary, become competent speakers and active listeners, and be able to use discussion

Implementation:

Focus for this year: To ensure teaching focuses on any learning needed from lockdown so children have secure knowledge to then make at least good progress.

Writing - cold (where appropriate) to hot, learning ladders in hot tasks unless going to use work for moderation

Reading - non fluent readers who need help decoding to be heard as frequently as possible, whole class guided reading focusing on explicitly teaching each skill and time allocated to discuss new vocabulary

Oracy - paired work, cross curricular vocabulary focus

Impact:

Writing impact measures in the short term will be seen cold to hot tasks, termly through PiXL test outcomes and over the year through the writing checklists. Phonics tests half termly show year 1 progress also and half termly assessments on pupil asset focus teacher assessment of current attainment.

Reading impact measures include the PiXL tests, daily 1:1 reading in KS1 and EYFS, termly Salford tests and in whole class reading teacher assessments which includes a half termly data drop on pupil asset.

Oracy - children talk confidently in public situations such as in class, they debate in class council and listen respectfully to each other and with adults. They use floorbooks to aid discussions with inspectors.
