Dear Parents/ Carers,

I hope that the last couple of weeks have gone as well as possible for you as we start our new programme of remote learning. I do appreciate that it isn't easy and that many families have competing demands on their time. The past couple of weeks have been a learning curve for us all but I do want to say a huge thank you to the whole school community.

We have been so impressed with how the children have adapted to remote learning and the fantastic work they have produced. It was lovely to see so many of you at the Zoom meetings. If you have any questions or concerns, please relay these to your child's class teacher via Seesaw, the class Facebook page or the office email.

Miss Ojelade

## Reading for Pleasure Quiz

We hope you are all well during these times. To help feel connected to the school and to promote reading and exercise, we have created a quiz around East Rudham village if you would like to complete it with your child/ren.

There will be 13 posters around the village from Sunday 17<sup>th</sup> January that have a member of staff's photo and book recommendations on. There are QR codes on each poster so that you can listen to each book recommended. All the posters will be uploaded to Tapestry or Seesaw after the quiz has finished so that you can listen to the stories at any time. Please note the YouTube links have been highly recommended but I haven't had the opportunity to personally vet each one.

There is a simple quiz which you can access on survey monkey (you can add all your children's names in school to one survey and can write the answers in any order in the answer box) or by completing the question sheet, which has been sent via email and emailing the results to the office. Every child in school who completes the quiz will have their names entered into a lucky dip. One child from each class will then win a recommended book. You can complete the quiz from this Sunday, 17<sup>th</sup> January, and have until the following Sunday. We hope you enjoy it.

Kind regards

Mrs Starman
