It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">• New equipment purchased to widen children's experiences• Purchasing of whole class sets of equipment	<ul style="list-style-type: none">• Further pieces of equipment to be purchased to ensure that indoor PE sessions have equipment as space and resources are limited.• Due to Covid resources are unable to be shared

What Key indicator(s) are you going to focus on?				Total Carry Over Funding:
				£ 5697.98
Intent	Implementation		Impact	
Your school focus should be clear how you want to impact on your pupils.	Make sure your actions to achieve are linked to your intentions:	Carry over funding allocated:		
To ensure that all children have full access to a range of PE experiences	Purchase of PE equipment for both inside and outside use – whole class sets	£1,800 indoor PE equipment to use in the classrooms due to lack of hall space. £1,800 outdoor PE equipment so that each class can have safe access to PE outside	Children are not being held back by Covid-19 and have got equipment to use when they need it for both the indoor PE sessions and outdoor sessions	The sustainability of this will be that as a bulk order has been made, we will now be able to ‘top up’ when needed.
To ensure that children have access to wet playtime equipment	Purchase of wet playtime games and equipment	£600 –	Children will be able to keep active during wet playtimes.	Top up resources when required.
Safe storage of equipment in Bubbles	Ensure that the equipment is stored safely and secure for each Bubble to have access.	£1000	Children from each Bubble will be able to access their equipment safely and ensure that mixing of Bubble does not happen.	NA
To ensure that playtime resources are kept up to date	Purchase of new playtime resources for Bubbles to use.	£489	As children are playing in Bubbles – new resources are needed	Purchase of new items when others are broken etc.

Intent	Implementation		Impact	
To purchase more PE equipment to enable Bubbles to have access to their own thus reducing cross contamination	More equipment will mean that children across the school will be able to access the lessons as they won't have to wait for a Bubble to use it.	£2,400	Children will easily have access to a more equipment to enthuse them about the subject	This is broadening the experience of a range of sports and activities we can offer
To purchase a range of inside PE equipment suitable for classroom based PE lessons	Due to the hall space not being able to be used by each class, extra/new exciting equipment to be purchased to enable children to remain enthused about PE.	£1,000	Children won't become board of the same games/lessons taking place inside when the weather is not suitable	Children will experience 'other' sporting activities which they may like to take up outside of school

To keep children active during wet playtimes/lunchtimes	Due to the nature of not being able to move around the school, children have to remain in their classrooms or being able to share equipment.	£800	Each class will be able to spend a designated amount of money on new playtime/lunchtime games.	Children will be kept active during the period of time over lunchtime and break.
To enable lunchtime clubs to continue.	Using staff already in school, we will be able to offer lunchtime clubs when and if Bubbles close or National Lockdowns happen	£1,000	Due to the possibility of a National Lockdown happening, we will be able to offer clubs at lunchtime with staff running these.	Children being active throughout the school day and making the most of the outside.
