New Menu

Our new menu will commence after half term. The menu has been sent by email. Please can lunch choices be advised to Mrs Jenkinson either by email to office@rudham-primary.norfolk.sch.uk or by telephone 01485 528230. Many thanks

I hope you are all well and have managed to get out and have some fun playing with snowballs and making snow creatures! This has been a very strange half term and certainly not the start to 2021 that we were all hoping for. However, all of our Rudham community has done fantastically well and we have been so impressed with both the children in school and at home over the past weeks. We hope you have a well-deserved half term break and are looking forward to when we can all be together again soon.

Good News Story

Paige and Hayden raised money last week for children's mental health week by dressing up each day as different feelings. They've raised over £400!

Reading for Pleasure Quiz Update

Many thanks to Rachel Wade who put up and took down the quiz posters around the village.

Around 30 children entered the quiz which was brilliant as we know some were isolating etc.

Winners:

Samuel from Tawny Owls

Layla from Barn Owls

Alfie B from Snowy Owls

Daisy from Eagle Owls

They each chose a book from the books recommended.

We will be running a non-fiction and poetry reading for pleasure quiz later on in the year with the chance of winning more books.

Mother's Day Messages in the Eastern Daily Press

We will once again be taking part in the EDP Mother's Day supplement with messages from our pupils, which will be published in the EDP on Saturday 13th March 2021. For children currently in school, the messages will be collected during the school day. For children who are currently learning from home, the messages will be collected, with parental agreement, during the weekly phone call home by the class teacher/Teaching Assistant.

The EDP will print the mother/carer's first name and surname. Please advise us if you would prefer not to take part.

Many thanks

Hi everyone,

I really hope you are all keeping safe and well. I also hope you are all keeping active and getting out with your parents/carers, as much as you are able to, at the moment.

It would be fantastic to see what sports related activities you have all been up to during this term. I thought it would be a great idea to flood our PE boards with pictures/drawings of you all, doing some PE at home. This could be anything from skateboarding to roller skating. Basically anything goes, as long as you are being physically active and above anything else, having fun!

We would love to see your pictures or drawings, so please send them in. This can be via Purple Mash/Seesaw, or your parents can send them directly to the school office email address below.

Thank you and I can't wait to see them.
