### Drop off and pick up

A polite reminder: Please ensure you arrive at the school gates at the designated time for your bubble. When lining up, please stand socially-distanced towards the wall to enable others to pass by unimpeded.

It has been wonderful to see all the children back in school again. It has felt like a long time since we have all been together and I know how hard everyone has been working whether in school or at home. The children have been very excited to see all their school friends again and it has been lovely to see their smiling faces as they catch up and play at break and lunchtimes. Each class has enthusiastically launched themselves back into learning. Tawny Owls have been enjoying their new outdoor space which they have named 'The Nest'; Barn Owls have been busy growing sunflowers as part of their science lessons; Snowy Owls will be building and launching rockets and Eagle Owls have been experimenting with different materials as part of their science topic on forces. It looks to be a busy end to the term and a welcome return to some normality.

## COMIC RELIEF 2021 – Friday 19<sup>th</sup> March 2021

As we welcomed the children back to school this week, we thought it would be a great idea for the children to come to school on Friday 19<sup>th</sup> March, as their favourite superhero for Comic Relief. This could be anything from “Superman” to an “NHS worker”. Basically, anybody the children might feel is a superhero, during these difficult times. Due to the restrictions still in place, we ask that the children do not bring in any props with their costumes, but red noses are allowed. We will be collecting a suggested donation of £1 for Comic Relief. If your child has PE on a Friday, can you ensure that they bring in trainers for their PE sessions. Thank you in advance for supporting this worthwhile cause.
