*Enabling Children to
Flourish through the Field of Life*

School is currently open for key worker children and vulnerable children.

Home Learning

A big thank you to all parents supporting their child/children with their learning at home. You are all doing so well.

All class teachers do regular Zoom meetings so children have an opportunity to see each other, have a chance to talk about their news and show work they have done. Login details will be sent in the class teachers' overview plan for the week on a Monday morning.

To ensure all children keep improving their reading skills, parents will be able to collect reading books from school as follows: -

- **Tawny Owls**

Reading books for home learning children can be changed weekly on a Tuesday. Tawny Owls teachers will provide 2 books tailored for each child, and these will be ready to collect from the office between 9:30 and 12 on a Tuesday morning. There will be a box for returns in the front reception area.

- **Barn and Snowy Owls**

If you do not have sufficient books at home, please contact the office via text or email, and we can provide these on an individual basis, to be collected again on a Tuesday between 9:30 and 12.

Children who are in school will have their books changed as normal.

Please do not hesitate to contact any members of staff via text or email (office@brisley.norfolk.sch.uk) if you need support, have any queries or concerns.

Update for Children in School

PE sessions will continue on a Monday and Wednesday.

Please ensure your child wears **warm** clothes that are changed and washed daily, uniform is not a requirement. Also, please provide a hat, scarf and gloves. If your child needs to wear the same coat each day, we will give it a light mist with an antibacterial fabric spray.
