

Sports' Day

*Enabling Children to
Flourish through the
Field of Life.*

We will be having sports' day on the 1st July 2021. Unfortunately, this will be a school only event even though the restrictions have started to lift for the nation, schools are still under the same restrictions as before, as well as having many staff who are still not vaccinated. We will take photos of the day and share with parents. There will be more details to follow about the day.

KITZ4KIDS

As a federation, we have made links with a charity called KITZ4KIDS. This charity has been set up by a Norwich City football coach, Julian Driver. He collects old football kits, sportswear and football boots that are no longer needed, to send out to Africa for underprivileged children. He also collects stationary for the schools. At each of the schools, we have a special donation bin, so if you have any old sportswear, boots and/or stationary that you would like to donate, please do send it into school with your child.

Start of the School Day

Please can we remind you that the school day starts at 8.45am. Children need to be in school at 8.45am ready to learn. We have noticed several children, often the same ones, are coming to school late. If a child is late by 10 minutes every day, this is 50 minutes a week. This is equal to a whole lesson of learning they are missing out on.

The weather is still very changeable at the moment. Please remember to send your child to school with a coat. Hopefully the weather will start to get warmer over the next few weeks, please ensure children come to school with a sun hat and apply sun cream before school.
