Sports Morning

Weather permitting, on Monday 21st June we will be holding a whole school Sports morning. We will be running multiple activity stations where the children can demonstrate all their sports skills in a circuit style. The stations will cover a range of different sports. The children will have a period of time on a station, before moving on to the next one. Each station will earn the children points, which will go towards their houses. After they have all had a go on the stations, each child will participate in a sprint race with some of their peers. The points will combine to make an overall winner for sports day. They have practiced really hard over the past few weeks and it is bound to be a fun filled morning! Sadly, due to covid restrictions parents will be unable to attend.

INSPIRING NORFOLK

This project aims to inspire Norfolk children and their families to enjoy learning together through focusing on Norfolk's inspiring people, places, artefacts and events. It has been put together by five enthusiasts for learning and for Norfolk. The website has over 50 short films on it by mid-June and will grow beyond that. Each film has suggested activities to stimulate your interest in all things Norfolk, past and present.

In addition to using the website in school **it is hoped that families will create their own short Festival of Learning** together as well. All the resources are free and the website will remain open until December. Just log in to - www.inspiringnorfolk.co.uk – choose some resources (short films just 5 to 10 minutes) – and be surprised, challenged and hopefully inspired to learn more and maybe even go out and enjoy the places mentioned. You will be surprised at the richness of the local environment.

Frozen Friday

This half term, FOBS will be selling ice creams at 3.15 p.m. All items sold will be in sealed packets.

Collections

We are still continuing to collect empty used Inkjet cartridges, crisp packets for Cat Protection at Longham and football kits, football boots, shin pads, ruck sacks and stationary for Kitz4kidz, sending these items to schools in Nigeria, Kenya and Ghana.

Collection boxes are in the reception area.
