Handwriting Policy Autumn 2021

Amendments to this policy

Date	Amendment	Page
September 2021	Name of cursive style of handwriting to be used. Letterjoin or Twinkl cursive	Pg 4
	Children from the age of Year 2 should be joining their letters	Pg 6

Handwriting at HOPE Federation of Church of England Primary Academies

At HOPE Federation of Church of England Primary Academies we are very proud of our pupil's handwriting and take particular care in our cursive/joined-up handwriting style.

Handwriting is a basic skill that influences the quality of work throughout the curriculum. At the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

We aim to make handwriting an automatic process that does not interfere with creative and mental thinking.

As a catalyst to speedy handwriting we encourage parents and carers to encourage handwriting at home that reflects the work we do at school.

Aims

We aim for our pupils to develop a neat, legible, speedy handwriting style using continuous cursive letters that leads to producing letters and words automatically in independent writing.

By the end of Year 6 pupils will understand the importance of neat presentation and the need for different letterforms (cursive, printed or capital letters) to help communicate meaning clearly.

Method

Our teachers and support staff are expected to use neat, joined-up cursive writing for all handwriting tasks including when writing on the board, writing labels or signs for displays and when marking children's work.

Consistency throughout the school

Pupils should experience coherence and continuity in the learning and teaching of handwriting across all school years and be encouraged to take pride in the presentation of their work. Our aim is to help pupils enjoy learning and developing their handwriting with a sense of achievement and pride.

Our agreed handwriting style

We will use either Letter join or Twinkl cursive styles of handwriting to promote the style of handwriting we want to see in school. All staff are encouraged to write in the appropriate style as well.

Handwriting frequency

Handwriting is a cross-curricular task and will be taken into consideration during all lessons. Formal teaching of handwriting during whole-class sessions will take place regularly and systematically to ensure Key Stage targets are met. These sessions will often be linked to phonics or spelling lessons, as well as in intervention groups such as Sound Discovery.

EYFS:

For our youngest pupils we aim for one to taught session per week and one independent session to consolidate the teaching. We focus on;

- Movements to enhance gross motor skills such as air-writing, pattern making, dancing.
- Exercises to develop fine motor skills such as making marks on paper, whiteboards, sand trays, tablets.
- Letter learning to familiarise letter shapes, formation and vocabulary.

Years 1-2

Tuition will continue with as above but will focus on;

- Gross and fine motor skills exercises.
- Cursive handwriting reinforcement, learning and practice.
- Numerals, capitals and printed letters: where and when to use, learning and practice.
- By the end of Year 1 the children should be joining their handwriting

Years 3-6

More advanced handwriting techniques will be taught as above and will focus on;

- Cursive handwriting re-enforcement.
- Form-filling/labelling using printed and capital letters.

- Dictation exercises to teach the need for quick notes and speedy handwriting

Correct posture and pencil grip for handwriting

Pupils should be taught to sit correctly at a table, holding a pencil comfortably and correctly.

Sitting Position

The Tripod Pencil Grip

Both right and left handed children should be encouraged to use the tripod grip which allows the pen/pencil to be held securely whilst allowing controlled movements of the pen/pencil nib.

- 1) Grip the pencil with your index finger and thumb with the nib pointing away.
- 2) With your free hand, spin the pencil from underneath.
- 3) Use your middle finger to support the underside of the pencil.

Left-handed Children

- Left-handed pupils should sit to the left of a right-handed child so that they are not competing for space.
- Pencils should not be held too close to the point as this can interrupt pupils' line of vision.
- Extra practice with left-to-right exercises may be necessary before pupils write left-to-right automatically.

Inclusion and SEND

Children whose handwriting is limited by problems with fine motor skills, including left-handed children, and children with special educational needs, will be given additional support. Additional resources may also be used (i.e. a writing slant, pencil grip etc).

Equality Statement

Equality Impact Assessment Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

Pens and Pencils

Children are encouraged to start handwriting using a soft pencil. When fine motor skills have been established and the children have proven that they can write neatly and in a joined cursive style, they will earn their 'pen licence'.

Key Stage Teaching

EYFS

- Sit in the correct position and hold a pencil correctly to allow fluid movement of the nib.
- Improve fine and gross motor skills by enjoying drawing pre-cursive patterns in a variety of writing materials such as modelling clay, air writing, sand trays, felt pens, crayons, pencils, IWB, tablets.
- Understand the language need to describe pencil movements in preparation of letter formation.
- Hold a pencil in an effective manner for writing and be encouraged to correct any errors in grip or stature.
- Understand that letters are written on a base line and that all cursive letters 'start on the line' and 'end with a flick'.
- By the end of EYFS, some children will begin to form some recognisable joined- up cursive letters, capital letters and numerals.
- Be able to write their own name.
- Understanding different shaped letter families.

Key Stage 1

- Write legibly using upper and lower case letters with correct joins.
- Ensure that letters sit on the base line and are consistent in size with ascenders and descenders that are the correct length and formation.
- Leave the correct space between words.
- Form capital letters and use where appropriate.
- Form numerals that are consistent in size and sit on the base line.
- Begin to form printed letters and understand when they are to be used.
- Improve the speed of writing and begin to write automatically so promoting creativity in independent writing.

Key Stage 2

Improve quality, speed and stamina of handwriting.

- *Quality*: Ensure letters are consistently sized with equal word spacing and that ascenders and descenders are parallel and do not touch words on the lines above and below.
- *Speed*: Improve speed of handwriting to allow creative writing to take precedence over the task of handwriting and be able to take 'quick notes' at a faster pace.
- *Stamina*: Have the strength and mobility to be able to write for longer periods of time without fatigue.

Have full knowledge and ability of the different forms of handwriting for different purposes:

- Neat, joined, cursive letters for writing passages and large amounts of text, lists and letters.
- Printed or capital letters for posters, notices, headings, labelling, and form filling.
- Speedy handwriting for note-taking and dictation where neatness is not as important and shortcuts, such

as + instead of 'and', can be used.
