

School Council 15/10/26

Meeting 3

Eagle Owls: Samuel, Xander

Barn Owls: Harper, Isla

Tawny Owls: Max, Raven

Next meeting: Thursday 5th November at 2:30pm

Ongoing suggestions

1. Eco schools - Signs in their classrooms to remind children to switch off lights and appliances when not in use. **Eagle Owls have lost theirs. Mr Kerkham will find more.** Other classes have put theirs up.
2. Frisbees - School council said they have been broken. **Mr Kerkham will check to see if more are needed, but we may need another break before allowing these again if they are not being cared for.**
3. Year 6 football game v Brisley at Brisley. Wednesday 4th November. **Year 6 need to hand in permission slips before Thursday 22nd Oct.**
4. Book suggestion box - 2 more suggestions were in there. Mr Kerkham will ask the PTA if they can buy these for school when we have more suggestions. (Princess books and Katseye books) **More suggestions are encouraged.**
5. Class council meetings are to happen weekly in one of the in-class collective worship slots.
6. The PTA are keen to set up 3 garden beds - one for each class. Eagle Owls and Barn Owls classes designed their class beds. **Tawny Owls children still need to do this.**
(Barn Owls - fruit and veg, Sunflower growing competition
Eagle Owls - children each did individual designs - fruit, veg, flowers, herbs, a bug house, lanes, streets and roads of flowers, rockery)
7. Eco schools. Barn Owls will have Eco Schools lessons through the year. Mr Kerkham will show the whole school in a Collective Worship on 9th November and Mr Hoskins has lessons prepared so Barn Owls can lead the school on the next step of this journey.

New Suggestions:

Barn Owls:

1. Can we have a Brisley v Rudham netball game? **The sport will depend on what Rob is teaching in PE. This term was Eagle Owls' turn and football. Next term will be Barn Owls and the Summer will be Tawny Owls.**
2. Can we do a Christmas themed stay and play next term - **good suggestion. We will see if this is possible.**
3. Can we have more parachutes as sometimes they are being played with by other children? **We will see if the PTA would like to buy another for the playground as they are very popular.**
4. Can we do Break the Rules day? Yes

Break the Rules Day - Friday 6th November

There are 5 rules children can break in total and they are:

1. Hair down or hair chalk
2. Have a desk buddy for the day (a mascot that will sit in your hand)
3. Wear 1 piece of jewellery (no hooped earrings)
4. Squash or juice in your water bottle
5. Have chocolate as a snack.

As always it is 50p per rule and your child will hand in money to teachers - this is a fundraiser for the PTA.

Eagle Owls:

1. Can we have clubs at break? We enjoyed drawing and drama clubs last year and would also like chess. **We will look round school for a chess set that could be used outside. We will put together some drawing materials for use outside too.**
2. Can we change the footballs so there are leather ones rather than basketballs? **We will look to see what we can find next week.**
3. Can we play games in tournaments versus other schools? This would be great but we aren't part of ICS any more. **Mr Kerkham will look out for opportunities to do this.**

Other thoughts:

Pupil Survey

In the survey, one fifth of the children said that some children can be unkind on occasion and one fifth said they sometimes can't talk to teachers when this happens.

What would help you if another child is unkind or if you want to but can't speak to a teacher?

School council said that you can move your name to the red zone and then write the problem down and put it in the worry box or worry monster.

Teachers

> Provide a worry monster or box so children can write worries if they need to.
