

19/9/25

School Council

Monty, Harper, Joey, Charlotte, Arlo, Casper

Aims:

Raise money for a new football goal

Raise money to buy aircon

Suggestions:

Tawny Owls would like to do a colour run again but wonder if staff would like to be involved this time. FOBs are planning to do this again. Mr Kerkham will ask staff if they would like to join in closer to the time, but it is their own decision. They might raise quite a lot of sponsorship if they do it though.

Tawny Owls said they enjoyed doing special days. They think that a popcorn and cinema afternoon would be a good fundraiser.

Tawny Owls wonder if we can have a new climbing frame on the field.

Other discussions:

How does school council work?

1. We said each class must have a suggestion box. Children and staff then use this for good ideas or problems
2. Each class must have a class council meeting every 2 weeks. Children and staff record the meeting in an exercise book.
3. School council then meet to make final decisions and to ask Mr Kerkham for help with communicating with people who might be able to help. Mr Kerkham makes notes on the meeting which are then given to teachers and put in the class council book.

We then drew pictures for our school council badges

Please discuss in classes ideas for fundraising for this term.

Next school council meeting is Friday 3rd October
