

11/11/25

School Council

Monty, Harper, Joey, Charlotte, Arlo, Casper

Aims: Raise money for a new football goal

Key - Black writing in information, green writing is an action for class councils, red is actions for adults

Classes had made suggestions for fundraising ideas for the goal posts:

Tawny Owls - Have a rainbow day. £2 would be enough for some families. This will be on the 20th November. Children are asked to wear brightly coloured clothes for Rainbow Day - Teachers are asked to do one activity in class related to rainbows. E.g. Sing the I can sing a rainbow song, learn about how rainbows are formed or colour a rainbow using a maths formula like if the answer is 17 - colour it red. Please could Monty and Harper collect the money donations and hand it in to the office for safe keeping.

Break the Rules Day Children had suggestions and school council decided on the following 5 rules to be for Break the rules day:

1. Have a movie for part of a day
2. Bring in a teddy (small)
3. Wear own clothes, pjs or a onesie
4. Have crazy hair
5. Have squash in your water bottle

Mr Kerkham to choose a date.

Barn Owls - Guinness world record attempts for the class. The highest vote was for the most balloons burst. A little more research is needed: How many people take part? Where would you do it? What is the record? How many balloons would you like us to buy for you?

Barn Owls read with Tawny Owls - Yes. Miss Clarke and Mrs Owen have arranged a time. It will be monthly on a Tuesday. Miss Clarke and Mrs Owen need to confirm the dates.

Autumn Art Competition - School council decided that every child who takes part should receive a very small token prize. School council decided on one entry per class for the newsletter and for the Wow wall. Mr Kerkham take photos and buy small prizes.

Larry the school teddy will visit each class for 2 weeks. He has his own diary so he can write what he sees the children learn. He is starting in Tawny Owls. Mrs Owen and Miss Buxton record what Larry sees most days.

New suggestions:

Should the year 6s stop using the trikes and scooters now they are so big. No because it brings them joy, however they are always hogging them. We will have a rota for the trikes and scooters to make it fairer. Mr Kerkham will make the rota and put it up outside. New rule to start next week.(17/11/25)

Can gardening club start again? We will start this again on once a week from next week.

Could we have an Art event for the whole school where everyone gets to use playground chalks for an hour as a class on a specified day. This could be a termly event. Each class could have a box on the playground. They would do it in lesson times. **Mr Kerkham to talk with teachers to see if we want to theme it to the class topic or a seasonal event.**

Next school council meeting is Friday 28th November at 11:30
