Gardening	Drama	Sewing and drawing

The PTA would like to design a garden so gardening won't start straight away. Instead, Mr Kerkham will do litter picking once a week for now. 1st litter picking is on Wednesday 22nd.

Lots of children would like to do gardening. Barn Owls are particularly keen.

Money from last term

We have £150 from fundraising. We added up the numbers of children who would like to spend the money now and the school has voted to spend the money now rather than waiting to raise more for giant chess.

In class council meetings, please have a look at these 4 items and see which you'd like the most.

2. New suggestions

- Can we have a fireman's pole? - No, too dangerous and expensive.
- Can we have a big slide, a swing or a trampoline? No, dangerous in school.
- Can we play golf v other schools? - Not inclusive of enough children. We have a basketball game v Brisley arranged for this term and football in the Spring and probably cricket in the Summer. If you want to play golf with metal clubs you need to join a golf club.
- Could we also have other clubs like design, baking, knitting, crocket, dance, English and Maths or litter picking? School council voted for litter picking.
- Can we have a breakfast club? We don't have anyone who is willing to run one at the moment. Sorry but not right now.
- Can we have basketball hoops rather than netball? No, we tried this before and the backboard acts like a sail, causing it to smash down and break.
- We need a badge for the school teddy. Would anyone like to design a simple badge for him? If designs are sent to the school council next time, we can choose some to be made for him. What name would you choose for the school teddy? Where do you think they should live?

3. School council designed their new badges.

Next meeting is Thursday 6th November. We hope the badges will be ready by then.
