

School Council 22.1.26

Y1 Alasdair, Raven, Y2 Issy, Y3 Zabrina, Y4 Chloe, Y5 Tilly, Y6 Rudi

Agenda:

1. Suggestions from last term
2. New suggestions

Key - black writing is information, green writing is actions for class councils, red is actions for adults

1. Suggestions from last time

School Mascot - we have made a badge for Muffin. Muffin is now wearing the badge and is on the CW shelf in Eagle Owls. Would classes like to have Muffin visit their class between school council meetings with his diary? Children could then write his diary for him or draw pictures to show what he has seen.

Lunchtime clubs - This term the lunchtime club will be computers and board games with Mr Kerkham. The first week was great fun and we had 9 children playing. If you want to sign up, the sign up sheet is in the hall in front of the school council board.

Football goals - Our aim is to raise enough money to buy a new goal. We noticed that two goals need replacing - one large and one small. A large goal costs 240 pounds. We raised 65 pounds last term from the break the rules day. We need lots more money before we can reach our goalpost goal!! We are going to have a sponsored run in PE at the end of this half term (Feb 12th). Rob will give you practice in a PE lesson soon. Then you will be given sponsor forms to take home. You need to ask grown ups to sponsor you per lap (they write down the amount they will pay you per lap). Then you do the sponsored run and give Rob the forms so he can record the number of laps you did. You then go take the form home and get the money from the parents. Now the important bit. You hand the money in to the class teachers so we can buy new goals for school!

KS2 graphic novels - These were bought for you by the PTA. They have been labelled with bright orange stickers and put on the shelves in the hall. Children should borrow the books but make sure they return them for other children to enjoy.

Can you spot the books?

Can we have more Dork Diary books? Yes. Use the book request box in the front of the hall to request books and the PTA will get them for you.

Year 2 and 3 football game v Brisley. This is happening on 6th March. It should be fun.

2. New suggestions

Can we pump up the basketballs and footballs? Rudi and Chloe tried the pump but it wasn't working. Mr Kerkham will bring the electric pump from Brisley. Rudi and Chloe can help on Thursday. In the meantime, Rudi and Chloe got 2 hard footballs and 2 good basketballs from the container and put them in the breaktime shed.

Can we have new basketballs? We don't think we need more - just need to pump up the ones we have. Please keep the school council informed about this as we can do this job regularly.

Can we have a small throwable bean bag game with wooden targets? We suggest that Mr Parr sets this as homework for Eagle Owls. If some children manage to make the wooden boards, we will find bean bags in school.
