

School Council 9.2.26

Y1 Alasdair, Raven, Y2 Issy, Y3 Zabrina, Y4 Chloe, Y5 Tilly, Y6 Rudi

Agenda:

1. Suggestions from last term
2. News from the PTA
3. New suggestions

Key - black writing is information, green writing is actions for class councils, red is actions for adults

1. Suggestions from last time

School Mascot - Muffin is now visiting Barn Owls. Children are invited to write a diary for him or draw pictures to show what the class has been doing.

Lunchtime clubs - This term the lunchtime club will be computers and board games. Next club is Thursday. Year R and 1 now have working log-ins so they can sign up if they would like to.

Football goals - Our aim is to raise enough money for two new goals. We noticed that two goals need replacing - one large and one small. The sponsored run is this week on Thursday. Bring your form on Thursday so Rob can write down your laps.

Year 2 and 3 football game v Brisley. This is happening on 6th March. Rob will pick the team.

Can we pump up the basketballs and footballs? Rudi and Chloe pumped up lots last week.

Can we have new basketballs? We don't think we need more - just need to pump up the ones we have. Rudi and Chloe pumped up dozens of balls.

Can we have a small throwable bean bag game with wooden targets? Mr Parr has set this as homework for Eagle Owls. If some children manage to make the wooden boards, we will find bean bags in school.

News from PTA:

The book suggestion box will be emptied and books ordered at the end of this week. [Keep adding book suggestions.](#)

Wednesday 26th February (1st Wednesday after half term) is a dress down day. Donations are of chocolate items so that these can be prizes for a quiz night (6th March).

PTA will do an Easter Card design competition in school at the end of this term. There will be prizes for all entrants.

End of April - there will be a design/drawing competition for Norfolk Churches - more information to come through the newsletter - 1st prize is £100

There will be a disco after SATs on Friday 15th May.

Y6 hoodies have been ordered. We don't know when they will arrive.

New suggestions:

Eagle Owls:

- We like the crafty homework idea. Can we have more like this? [If it goes well, Mr Parr may consider this.](#)
- Can every class do a forest school session one day? School council suggested that the older children would need to look after younger children and the rules would need to change to make things safe. [Mr Kerkham will talk to Miss B.](#) Maybe this would be possible in small groups, but with lots of children in the woods, the supervision of 58 children all at once would be a big worry. [Summer term - 1 in each half term will be arranged - Mr K to organise.](#)
- Can we be told when Rob is doing activities at Brisley in half term? [Mr Kerkham will ask Rob to send information to Mrs Jenkinson to forward to you.](#)
- After the football goalposts have been bought, can we have more games for the playground such as the magnetic darts board? [School council will bear this in mind.](#)

- Marley suggested a day when you wear your own football kit. We are having a dress down day (non-uniform day) on the first Wednesday after half term. Would Marley like to wear his team shirt on that day?

Barn Owls

- Muffin is with you for 2 weeks. Please write in his diary (or draw pictures) to show what he has been watching you doing in your classroom.

Tawny Owls:

- We have been using the book suggestion box.
- We are looking forward to having Muffin come to visit.

Next meeting: Monday 2nd March 11:30
