1. New badges were give out. **Xander and Raven still need to collect theirs (ill).**
2. Eco schools - Children were given labels to put up in their classrooms to remind children to switch off lights and appliances when not in use. **Eagle Owls and Barn Owls said they haven't put up their labels yet.**
3. Frisbees - These have been given out. One broke already and has been replaced as it was an accident.
4. Year 6 football game v Brisley at Brisley. Wednesday 4th November.
5. Book suggestion box - 7 suggestions were in there. **Mr Kerkham will ask the PTA if they can buy these for school.**

New suggestions:

1. Class council meetings are to happen weekly in one of the in-class collective worship slots.
2. The PTA are keen to set up 3 garden beds - one for each class. The classes would have the job of looking after their growing spaces. **Please could each class design a garden bed showing what they would like to grow. This can be done in a class council meeting.**
3. Eco schools. Barn Owls will have Eco Schools lessons through the year. Mr Hoskins and Mr Kerkham will attend training next Wednesday to find out more.
