Larry's Diary with Barn Owls was read out and passed on to Tawny Owls. Tawny Owls need to record in Larry's diary.

Who would be fairest to have next as a sports game with Rudham? Last time year 4/5/6 at Rudham played us so next time year 2 / 3 will be playing football. Rob will choose teams for the end of this term. The game will be football. Mr Kerkham to request a Thursday or Friday when the minibus is free. Rob and Mr Kerkham have agreed to do this with Mr Hoskins.

We have raised £180 for a new football goal from last term. We need another £60. We have smartie tubes (provided by FOBs) and will send these home to children to collect coins inside. Any left over money will go to a Cancer Charity. Mrs Bell to choose a date: week before half term suggested.

Will there be a disco? FOBs are organising one for Feb 13th. It will be at the village Hall. You'll be collected from school and then go later. £4 each

It is time to train up new Collective Worship leaders. Barn Owls need to collect names of volunteers from year 5.

Tawny Owls and Barn Owls will read together fortnightly on a Friday afternoon. Miss Buxton and Miss Clarke should arrange to read together this Friday.

Would the school council like to make their badges? Children were given small circles to decorate before the next meeting.

What would the school council like to achieve this term? Possibly raise money from a sponsored run for the new climbing equipment project.

Some parents have suggested the MacMillan mighty hike challenge. This would also then be a Cancer Charity - 9th May is when some of your parents will be doing this. This would be in the Summer Term.
