

School Council 1/10/26

Meeting 2

Joe B, Woody, Harry K, Rose, Lily P, Jaxon

1. Received badges.
2. We will raise money for cookers at Brisley this term.

Each class will have a grid similar to this. Each class will sell tickets to raise money for the cookers.

Tickets will be sold at half term.

Mr Kerkham will arrange this through the next school council meeting.

3. Can we have more netball posts? Still trying to find money for this.
4. Can we have a person to tidy any stray balls on the field at the end of lunchtimes? If Miss Clarke said maybe in class council.
5. Long skipping ropes please. FOBS are buying two.
6. Can we pump the basketballs? Done by Joe and Woody

New suggestions:

Barn Owls:

Should we do Tesco tokens? Mr Kerkham will ask FOBS if they have considered this.

Snowy Owls:

Can we replace the broken yellow scooter? We will ask FOBS later in the term if this can be considered.

Can we have football lines or cones for the small goal? We thought lines fade quickly and stop you moving the goals when it gets muddy. Please just use cones.

Can we have a class pet? The class voted no due to allergies.

Can we have a shelf for Tawny Owls? Good idea. If you mean in the corridor, Mr Kerkham will reorganise the books and put some picture books in the corridor from the library.

Tawny Owls:

Can we have a lucky dip for prizes? Maybe do this at the Summer Fete?

Can we go to the dinosaur park? We've only just gone there. Do your class teachers have a trip planned for this term?

We hope we get to do the Nativity Play. We are thinking about how to organise this.

Can we have an animal day? This might come into your topic. If your class teachers want to arrange something, that would be fun.

Can we do a drawing contest? We will look out for opportunities to do this.

Can we have fun races? On the Summer Sports day we might do some fun races.

Can teachers show us baby faces as a game to match the baby faces to the teacher? This is a great idea for the Summer fete.

Next meeting: Friday 16th October 11:30pm
