Tawny Owls and Barn Owls will read together fortnightly in the Summer Term when Snowy Owls are doing Forest Schools.

We are having a trip to the ROARR!! in June.

Frozen Fridays start after May half term.

FOBs colour run will be on 15th June.

New suggestions:

Could we pump up some new balls? We did this.

Can we have a cookery day?

We talked about this and thought it would be great to have a whole school baking day in the Autumn Term. We thought we should use the Break the Rules Day money to fund the resources for this. Perhaps we could do it themed in the Autumn Term to work with topics eg rock cakes for Stone Age etc or maybe make gingerbread men if closer to Christmas. We thought the children should help make the biscuits and then decorate them the next day after they have been baked.

Next meeting - 2:30pm Thursday 18th June
